PROSPECTUS: 2019

SIKKIM GOVERNMENT SCIENCE COLLEGE,CHAKUNG: Profile

The Sikkim Government Science College, Chakung was established in the year 2016 as an institute designed to cater the need of Higher education in the state and meet the growing challenges of the fast changing global scenario in scientific learning.

Far from the madding crowd, the college is ideally situated in the lap of nature and has a unique surrounding as it is nestled, amidst a lush green forest. Located at a pristine, quite and naturally blessed Location, Chakung in the western part of Sikkim it holds sufficient resource and potential to foster itself as an institute of excellence, both vertically and horizontally.

Since its inception, the College has been an epitome of academic excellence, adhering to the ever-changing aspirations and the needs of the student community. The College was inaugurated on 26th of July 2016 and since then it is growing and developing steadily.

The Campus includes an Administrative block with the college library and the auditorium. It has a separate academic block. The college also has a cafeteria for the staffs and students within the campus. Besides the ongoing infrastructural developmental works, a new civil construction is in the verge of completion.

The College is at present affiliated to the Sikkim University (a central university) and follows the academic curriculum designed and prescribed by the university however we are expected to get affiliated to the Sikkim State University from the academic session 2019, the matter is under process. The medium of instruction is English. Presently the institution runs B.Sc Pass/Honours programmes in five major subjects viz: Mathematics, Physics, Chemistry, Botany and Zoology.
